

# Where We Serve

*Our Vision: We connect all people based on their individual circumstances with the families and communities that will empower them to live their fullest life possible. Potential fulfilled, those we serve then promote the dignity of others, launching into the community an unending ripple effect of transformation.*

*Serving people as an expression of the love of Christ.*

# SERVING MICHIGAN

Samaritas has 5 major service areas: West, Central, Bay, Metro Detroit, and Northern. Headquartered in Detroit, we serve over 10,000 people a year across Michigan with a total budget of \$100 million dollars.

*Connect. Empower. Transform.*

As the state's largest private provider of Foster Care and Adoption services, we continue to positively influence the state in terms of policy and program design. We serve over 1,300 foster youth and help over 300 find their forever families on an annual basis.

Keeping families together also plays an integral role in our mission. Our Family Preservation programs serve approximately 1,600 youth per year and are designed to keep children out of foster care by working intensively with families who need additional support.

Our New Americans refugee resettlement program, one of the largest in Michigan, serves over 2,500 refugees annually by teaching them English, offer support with job placement and help navigate the healthcare system.

Over 1,500 families, individuals and seniors find home sweet home through our Affordable Living and Persons with Disabilities services every year.

Samaritas' Substance Use Disorder services support those who struggle with the impact of drugs and alcohol.

We serve over 1,300 seniors annually in 5 faith-based communities across Michigan. These services include: independent living, assisted living, skilled nursing, memory support or rehabilitation therapy.

## *Across Michigan*

**16** Affordable Living Communities for Seniors, Families and Adults with Physical Disabilities
